TRAINING ACADEMY

Welcome Message from

BAPIO Training Academy (BTA) is fulfilling dreams and aspirations of Indian post graduate doctors through the Fast Track Program. British Association of Physicians of Indian Origin (BTA) is a national voluntary organisation established in 1996, with a commitment to the principle of providing high quality patient care through the National Health Service (NHS). Since its conception, with the initial aim of supporting international medical graduates, BAPIO Training Academy has grown in stature and influence to become one of the largest organisations of its type in the country. Our vision is to train healthcare professionals to become clinicians and leaders to help deliver equitable and cost-effective care for global sustainability of healthcare systems.

Prof Parag Singhal

Since the inception, **ISM EDUTECH** has consistently been working towards upgrading the quality of Medical Education provided at its affiliated Medical Training Institutes. We strongly believe that BAPIO Training Academy – **ISM Partnership** will benefit our students/alumni to achieve internationally recognised post graduate qualification and clinical training. This initiative will provide an opportunity to our medical graduates to get trained at one of the best healthcare systems in the world.

Dr. Phani Bhushan Potu

Doctors with MD/DNB or equivalent qualifications in Medicine, Emergency Medicine, Respiratory Medicine, Medical Oncology, Ophthalmology, Paediatrics, Obstetrics & Gynaecology and Geriatrics are eligible to apply for the fast track program.

Selected doctors will be sponsored for GMC by BAPIO Training Academy and will join reputed hospital trusts in the NHS for 2 years. The trust will help the selected applicant with the tier 2 visa simultaneously. During these 2 years the candidate has to enroll in an online degree/diploma program in a related specialty or an online MBA Program with a UK University. The candidate after finishing the above mentioned two year time period can either return to home country or stay and pursue a career in the UK.

BAPIO Training Academy Current Partner Trusts in the NHS-UK Include

What do our consultants say?

It has been an incredible journey for me as a national (UK) lead for this flagship BTA fellowship program. A very satisfying experience of helping young doctors from overseas to fulfil their dreams and become a part of the world renowned NHS UK services.

Dr Vineet Gupta
Consultant Paediatrician & Neonatologist, UK

BAPIO Training Academy is an innovative, progressive and growing organisation. I have been impressed by the quality, calibre and the high educational standards of the Clinical Fellow's via BTA. This programme provides driven, ambitious young doctors with excellent clinical skills and knowledge of their specialty the right support, budding, mentoring and induction. The Clinical Fellows through BTA have integrated as a part of the team here in UK and it is an absolute pleasure them.
